## A Circle is A Shape Song

*Tune: Wheels on the Bus*

A circle is a shape that goes round and round,  
Round and round, round and round.

A circle is a shape that goes round and round,  
Round and round.

*Additional verses:*

A triangle is a shape with three sides

A square is a shape with four sides

## Little, Bigger, Biggest

A little circle,

A bigger circle,

And a great big circle I see.

Now help me count them,

1, 2, 3!

## Rainbow Colors Song

*Tune: Twinkle, Twinkle Little Star*

First comes red and orange too,

Shiny yellow, green, and blue.

Purple ends the pretty rays,

Only seen on rainy days.

First comes red and orange too,

Shiny yellow, green, and blue.

## Bear in the Garden

'Round and 'round the garden,

Goes the brown bear.

One step, two steps...

Tickle them under there!
